brother candidates selected for this District (102 in number) to get a permanent footing in Service are remote, and if, as stated in a recent Government Communique, all the Settlement Parties in the Presidency are abolished and if a number of those discharged hands are allotted to this District, it will not be a matter of surprise at all if some of them get their confirmation only about the time of retirement.

(d) That these pitiable circumstances are aggrevated by the very liberal and lavish grant of extension of term to retiring hands thus still further jeopardising the interests of the Madras Service Commission Candidates and prolonging their unmerited miseries.

(e) That after the abolition of groups in 1934, candidates are shifted from one department to another frequently, and hence they do not and cannot expect to continue in any one Department for a long time. As a result it is well-nigh impossible for them even to qualify themselves in any Special or Departmental tests and thus improve their conditions.

(f) That the exclusion of candidates selected by the Madras Service Commission from appointments in vacancies occuring in the Judicial Department is again a set-back for these candidates in as much as those selected in 1931 and 1932 for the said Department had to be subsequently entertained in other departments thus narrowing down the chances of those candidates selected in later years.

(g) That your humble Memorialist and similar other acting clerks in this District are put into innumerable difficulties when they have to join a new post on their re-appointment after a break in service for want of vacancies, as, in many cases the vacancies in which they are thus appointed are so short that the emoluments they receive do not recompense the expenses incurred by them to join the posts. Besides, instances are not few wherein, when candidates after receipt of the appointment order, come to join the post they find the order cancelled or the vacancy terminated with the result that they are helplessly stranded in a strange place with no means to return home.

2. That in the foregoing circumstances your humble Memorialist begs leave to make the earnest appeal that the Government may kindly concert measures for alleviating the sufferings and hardships of the Madras Public Service Commission Candidates of South Kanara District and be just and generous enough to:—

(i) Order that, in view of the fact that it may take 10 or 15 years for any of the Madras Service Commission Candidates to get permanent appointments, all clerks be compulsorily made to retire when they have put in 15 years' pensionable service.

(ii) Reconsider, in view of the fact that the chances of your humble Memorialist and many others in the same category getting permanent appointments are distressingly remote, the question of counting the continuous service of acting clerks towards pension which was recommended last year by the Board of Revenue and almost all the Collectors.

Sub:- Accounts - Land - Cess - F.1344 - 1st - Half yearly instalment - Rs.81 - due to the panchayat Board Byradevanahalli - Bellary Taluk not paid amount lost - report submitted.

Rs.81 being the 1st half yearly instalment of land cess for F.1344 sanctioned to the panchayat Board at Byradevana halli, was drawn at the Bellary Sub Treasury on 21-12-1934 and remitted by M.O. (less commission) to the President. The M.O. does not appear to have been paid to the addressee. The Superintendent of Post Office Bellary reports that the amount was returned to the Taluk Office on 5-1-1935, but it is not clear who received the amount in the Taluk Office as the paid money order has been destroyed according to postal rules.

2. The amount does not find credit in any of the account and appears to have been lost. The then T.H.A. denies having received the amount. I am asking the Revenue Divisional Office Bellary to investigate the matter and send his report. I shall submit a further report in the matter on receipt of reply from the Revenue Divisional Officer.

Board's Ref. C.7004/37 dated 7/11/36.

The Revenue Divisional Officer, Bellary, reports that there are one or two similar cases, which also need investigation. He promises to send a further report after verifying whether all the amounts sent on the same day as this have been acknowledged by the President Panchayat Boards or remitted into the Treasury

2. I notice that the Dt.Panchayat officer made no reference to the Taluk office till 6-1-36 when it was too late to verify from the post office to whom the money was paid. There has been a long delay in taking action about the alleged non-payment to the panchayat. I am calling for the explanation of the persons responsible. Since the Panchayat officer is not under the control of the R.D.O., I think it better to hand over the investigation to the Police. I am instructing the R.D.O. Bellary to do this. I shall submit a further report after the receipt of a report by the Police.

ACCOUNTS - Land Cess - Fasli 1344 - First half-yearly instalments - Rs.99-14-0 due to the Panchayat Board - Yalpi - Bellary Taluk - Amount lost - Report submitted.

Ref.- Bellary Revenue Divisional Officer's R.C.No.5302/36, dated the 24th January 1937.

A sum of Rs.106 being 1st half yearly instalment of land cess for Fasli 1344 due to the Panchayat Board at Yalpi village was drawn at Bellary sub treasury on 21st December 1934 and remitted to the President Panchayat Board by money order after deducting the election expenses and the money order commission. The Revenue Divisional Officer Bellary is unable to find whether this amount was actually paid to the President or not. The records relating to the money order remitted from the taluk office have been destroyed according to the postal rules and it is not known to whom the money was actually paid. The registers of the Panchayat Board at Yalpi do not show the credit of the amount sent by money order though the registers and the accounts of the taluk office Bellary show that the amount was actually remitted on 21st December 1934. This has been brought to light during an investigation carried on in respect of non receipt of a similar amount relating to Bhyradevanahalli village. The facts relating to that case have already been reported to the Board and from the subject matter of correspondence bearing Board's Ref.No.7004/32-2 dated 12th January 1937. As it is difficult to fix the responsibility for this misappropriation ~~of~~ or any one at this distance of time, I have instructed

instructed the Revenue Divisional Officer, Bellary to hand over the investigation to the police. I shall submit a further report after the result of the Police investigation is known.
